

SCS NEWS bulletin

"Learning for life!"

Introduction

From the Principal's desk

Earlier this month the Inter-Island-Sport Competition took place on Saba in which about 100 students from St. Maarten, St. Eustatius and Saba participated.

In the competition students competed in various sports and at the end of the day ALL students were winners as they participated in something very unique.

The SCS is striving to continue to offer our students the opportunity to develop their talents as well as to practice and develop their skills in the upcoming year by continuing the extracurricular activities and clubs. Visit our facebook page for pictures.

The SHS students can opt for regular Summer School at the SCS (8 am—3 pm) and prepare for the upcoming Academic Year by working on weaker subjects, learning how to plan, what to expect etc. In the afternoon they will be able to choose between working with Marco Volcy, Snorkeling and Hiking, and an ART project.

The other option is to board Schooner Ruth for a 7 day voyage around the Caribbean Sea from Sunday July 7—Saturday July 13.

During this 6 day voyage, students will deal with real issues such as monitoring water consumption from a shared source. They will also take part in ship "watches" as part of the mariner crew and will participate in scrubbing, cleaning, and sharing the duties on board. Students develop life skills such as leadership, resilience, grit, accountability, and team work, characteristics that will lead them to success at both school/university and in life. They overcome challenges on a daily basis that strengthen both their character and confidence.

In the week of July 14, SCS Students are eligible for the voyage. Registration is mandatory.

Upcoming Events

June

Student Tracking System

Log-in information has been sent to the parents/guardians. If you did not receive the login, please ask your child or contact the SCS Administration

House uniform is only allowed when there are House Activities planned.

All other days the students are expected to wear their school uniform.

House uniform consist of a knee-length sports short, house T-Shirt and sport Shoes.

On house Fridays also the house shirt and school trousers are allowed.

NO OTHER TROUSERS

Fake finger nails are also not allowed. This is not part of the SCS Uniform

Summer School will be held from July 8 — 12 for students who are eligible for enrollment (based upon the promotion meeting held by teachers on July 2, 2019).

Also, students who meet the requirements for promotion are allowed to participate to upgrade their specific subjects.

Summer school starts at 8 am and ends at 1pm for SCS Students. A light snack and water is included.

If you would like to sign up your child, please submit the registration form provided (p.t.o.)

SCS at Sea

For the incoming Grade 6 Summer School will also be organized.
