PRESS RELEASE

## **100% pass rate for the Saba Comprehensive School**

**St. Johns-** Students of the Saba Comprehensive School have recently received their CSEC/CXC/Dutch Cambridge preliminary results for the May-June 2015 Examination.

The class of 2015 received a 100% pass rate as all 11 students received six CSEC/CXC or five CSEC/CXC subjects and the Dutch Cambridge exam which is the requirement for a Diploma.

Also all three Vocational students passed their assessments before the summer vacation and some of them wrote a few CSEC/CXC exams and will be graduating later this year.

The four form 5 PrO students have completed their school career and will receive a school leaving certificate during the graduation ceremony <sup>1</sup>.

Last school year all students in form 4 Academic signed up for some CSEC exams and were all successful. This definitely gives them an added advantage for their final year at school.

*Note for publication:*

*For more information call Anton Hermans, director Saba Comprehensive School at 416 7201 or via e-mail [ahermans@learningsaba.com](mailto:ahermans@learningsaba.com)*

---

<sup>1</sup> The Graduation Ceremony date will be made public later this month/early September 2015. This depends on when most students will be on island to receive their diploma/certificate.
