Dear Incoming Form 1 students,

As the Lower Forms and PrO Department Leader, it is my pleasure to welcome you to Saba Comprehensive School! I hope you will have a very smooth transition to high school and a very successful and fun year ahead!

As you may know, high school is quite different from primary school, so in an effort to better prepare you for these changes, I have put together this Form 1 Orientation Booklet with some essential information you will need to know for the upcoming school year.

Additionally, in an effort to ensure a smooth transition to Saba Comprehensive School, you have already had a tour of the facility and you will have the chance to meet with your homeroom teacher beforehand and get to know one another, as well as your other new teachers. You have also been paired up with your student mentors from the current Form 1 or Form 2 class and these students will also be able to help you and guide you when necessary during your first year at Saba Comprehensive School.

In closing, I would like to leave you with some wishes I have for you as you embark on your high school journey.

- ❖ *May you be creative and think and work independently.*
- ❖ *May you work in harmony with your classmates and encourage each other to succeed.*
- ❖ *May you demonstrate responsible behavior and commitment to your work.*
- ❖ *May you find and recognize your true talents and use them.*
- ❖ *May you use wisdom to make good decisions.*
- ❖ *May you always treat others with respect and kindness.*
- ❖ *May you work diligently and vigorously to achieve your goals.*

Best wishes,

Tracy Zagers-Johnson
SCS Lower Forms and PrO Department Leader

Dear students,

My name is Esther Schasfoort and I will be your new Homeroom Teacher for the upcoming academic school year 2017-2018. I will also be your Dutch and Spanish teacher.

I am originally from Curaçao, but I moved to Saba almost three years ago and began teaching Spanish and Dutch at Saba Comprehensive School. I studied Spanish in Holland and attended Teacher's college at the University of Curacao. I have also been a Homeroom Teacher for the past two years.

I am a strict teacher and I love to teach my students. In my spare time I enjoy nature, listening to South American music, especially the Panamanian and Colombian cumbia, and I love home cooked meals, especially the Saba curried goat!

I look forward to a great year ahead!

Best wishes,

Your Homeroom Mentor,

Esther Schasfoort

Recess, cafeteria

There are two recesses at Saba Comprehensive School; one from 9:30am-10:00am and one from 12:15pm-12:30pm. During both breaks students can play foosball, chess and dominoes. Foods and drinks are sold during both breaks by the canteen lady Xiomara Hassell. Foods sold include healthy snacks and lunches. Drinks include juice, ice tea, Gatorade, malt and water. Prices range from \$2 to \$4. There are also two water coolers located on the courtyard, but students are also encouraged to bring water with them from home.

Library

In an effort to promote literacy and improve the reading level of our students, every month all SCS students visit the library. They should choose an English, a Spanish and a Dutch book on their level. Parents should ensure that they read their library books at home and return them, along with their library cards, every month. Students can also bring their library books to school to read during the break or during class if they finish their work early. It is a wise idea for students to keep their library cards in a Ziploc bag in their school bags at all times so as not to forget them at home.

House system

In 2012, the House System at Saba Comprehensive School was reintroduced. Next academic school year there will be a house activity held once per month. Activities can range from playful events in the court yard to sports' games in the gymnasium to singing and dancing competitions at the school.

At the Saba Comprehensive School all students, teachers and other staff members are randomly divided into four houses. The four houses at SCS are named after significant persons in Saban history. The four houses are:

The Cornelia Jones Blue House Flames

The Othello Maude Edwards-Linzey Green House Grenades

The Godfried Hassell Red House Dragons

The Thomas Eric Johnson Yellow House Blazers

On the day that house activities are held, all students are expected to wear their house T-shirts and sports pants.

Curriculum, CCSLC

In August 2015 the CXC CCSLC (Caribbean Certificate of Secondary Level Competence) program was reintroduced in Form one at Saba Comprehensive School. It is a two to three year competency-based program and is offered in English, Mathematics, Spanish, Social Studies and Integrated Science. Students are required to complete five modules per subject area and complete a school based assessment at the end of each module. The scores of these internal assessments are then combined with the score of an external assessment of fifty multiple choice questions per subject area. Students who pass all five subjects will be awarded a certificate from CXC. Our curriculum is currently being adjusted to facilitate this new program and can be found on our school website at www.learningsaba.com. You can also find more information on the CCSLC program at www.cxc.org.

Agenda usage, organizing and planning

It is mandatory and extremely important that all SCS students purchase and use an agenda. Students will have fourteen different classes and anywhere from ten to fourteen different teachers. Each teacher will give homework and assignments and schedule tests. It is therefore imperative for students to plan accordingly and keep organized so as not to miss deadlines. Parents should also help their child at home to become familiar with using an agenda and ensure that they are using it daily.
