Dear Incoming Form 1 students,

As the Lower Forms Department Leader, it is my pleasure to welcome you to Saba Comprehensive School! I hope you will have a very smooth transition to high school and a very successful and fun year ahead!

As you may know, high school is quite different from primary school, so in an effort to better prepare you for these changes, I have put together this Form 1 Orientation Booklet with some essential information you will need to know for the upcoming school year.

As you start on this next phase in your educational journey, I encourage you to demonstrate responsible, respectful behavior and commitment to your work. I hope you will work in harmony with your classmates and always encourage each other to succeed. May you be creative and also think and work independently, as you find and recognize your true talents and use them positively for the betterment of your school and your community.

May you also use wisdom to make good decisions and may you always treat others with kindness. Lastly, I encourage you all to work diligently and vigorously to achieve all your goals and may you and your parents have a wonderful year ahead as you become part of our SCS Family!

Welcome to your blank canvas at Saba Comprehensive School! Paint yourself a masterpiece!

Best wishes,

Recess, cafeteria

There are two recesses at Saba Comprehensive School; one from 9:30am-9:45am and one from 12:00pm-12:30pm. During both breaks students can eat, drink, socialize, review before their next class. Foods and drinks are also sold during both breaks. Foods sold include healthy snacks and lunches. Drinks include 100% juice and water. Prices range from \$1 to \$4. There are also two water coolers located on the courtyard, but students are also encouraged to bring water with them from home.

If we receive funding again next year, we will continue with the free breakfast program from 7:00am-7:15am, where students who need breakfast can have fresh fruit and a sandwich (ham, cheese, peanut butter or jam) on whole wheat bread for free. On days when there are after school activities or clubs, the cafeteria will also be open from 2:00pm-2:30pm.

Library

In an effort to promote literacy and improve the reading level of our students, every month all SCS students are expected to visit the library. They should choose an English, a Spanish and a Dutch book on their level.

Parents should ensure that they read their library books at home and return them, along with their library cards, every month. Students can also bring their library books to school to read during the break or during class if they finish their work early. It is a wise idea for students to keep their library cards in a Ziploc bag in their school bags at all times so as not to forget them at home.

House system

In 2012, the House System at Saba Comprehensive School was reintroduced. Next academic school year there will be a house activity held once per month. Activities can range from playful events in the court yard to sports' games in the gymnasium to singing and dancing competitions at the school.

At the Saba Comprehensive School all students, teachers and other staff members are randomly divided into four houses. The four houses at SCS are named after significant persons in Saban history. The four houses are:

The Cornelia Jones Blue House Flames

The Othello Maude Edwards-Linzey Green House Grenades

The Godfried Hassell Red House Dragons

The Thomas Eric Johnson Yellow House Blazers

On the day that house activities are held, all students are expected to wear their house T-shirts and sports pants or their regular uniform pants.

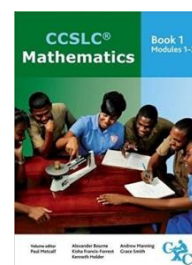

Curriculum, CCSLC

In August 2015 the CXC CCSLC (Caribbean Certificate of Secondary Level Competence) program was reintroduced in Form one at Saba Comprehensive School. It is a two-to-three-year competency-based program and is offered in English, Mathematics, Spanish, Social Studies, Integrated Science and Digital Literacy. Students are required to complete five modules per subject area and complete a school-based assessment (SBA) at the end of each module. The scores of these internal assessments are then combined with the score of an external assessment of fifty multiple choice questions per subject area. Students who pass at least five subjects will be awarded a certificate from CXC. Our curriculum is currently being adjusted to facilitate this new program and can be found on our school website at www.learningsaba.com. You can also find more information on the CCSLC program at www.cxc.org.

Agenda usage, organizing and planning

It is mandatory and extremely important that all SCS students purchase and use an agenda. Students will have fourteen different classes and anywhere from ten to fourteen different teachers. Each teacher will give homework and assignments and schedule tests. It is therefore imperative for students to plan accordingly and keep organized so as not to miss deadlines. Parents should also help their child at home to become familiar with using an agenda and ensure that they are using it daily.
